Dear TASC Members,

The Board of Directors of the Texas Association of Specialty Courts (TASC) encourages its members to serve on the TASC Board of Directors.

Effective 2017, TASC changed how directors are elected. We now elect directors by geographic region instead of by specialty court type. We also elect a director from any county with more than ten recognized specialty courts (Bexar, Dallas and Harris counties) and two at-large-directors. There are no restrictions for previous service or number of terms one may serve. This year, the following positions are open for election, in addition to the executive committee positions: Bexar County Director, At Large Director Place #1, Region 3 Director, and Region 4 Director.
