Dear TASC Members,

The Board of Directors of the Texas Association of Specialty Courts (TASC) encourages its members to serve on the TASC Board of Directors.

Effective 2017, TASC changed how directors are elected. We now elect directors by geographic region instead of by specialty court type. We also elect a director from any county with more than ten recognized specialty courts (Bexar, Dallas and Harris counties) and an at-large-director. There are no restrictions for previous service or number of terms one may serve. This year, we are electing directors for Bexar County, one at-large director, and one director each from Regions 3 and 4, which consists of the following counties:

REGION #3

Anderson Nacogdoches
Bowie Panola

You may apply for the at-large position, for one of the listed counties, or Bexar County. In addition, there are open positions for the executive board: secretary, treasurer, vice-president, president elect and president.

Attached is the Declaration for Nominations for Officers and Directors for the years 2019-2020. If you are interested in serving, please complete the form, ensure you are current on your TASC dues and submit it to Amber Gregory at agregory@shsu.edu by January 2, 2019.

Thanks,
